Analysis report on
STUDENT FEEDBACK (2017-2018)
Semester: 1st

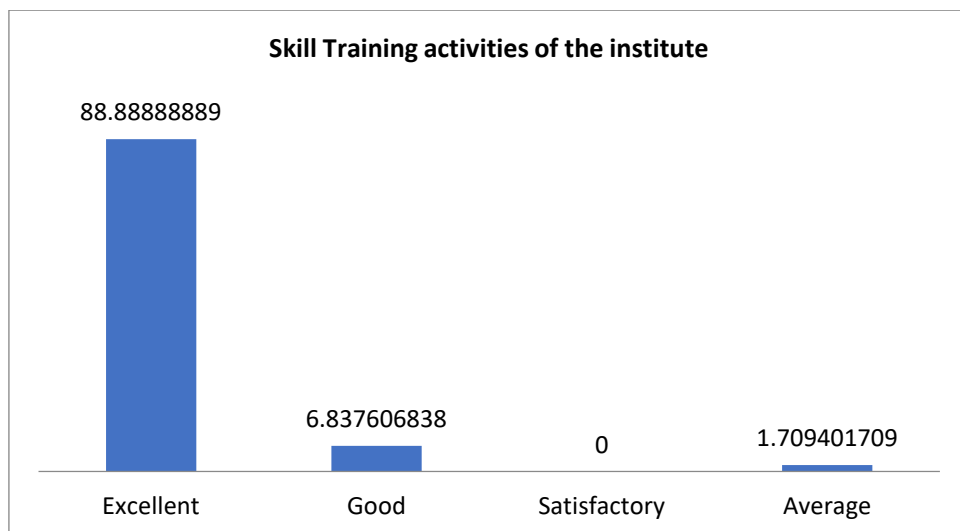

The institute draws feedback from its students for continuous improvement in curriculum development and enrichment. For the session 2017-18, the analysis of student feedback is presented as under:

1. Are you familiar with the vision, mission and goals of the institute?

Inference: 100 % students are familiar with the vision, mission and goals of the institute.

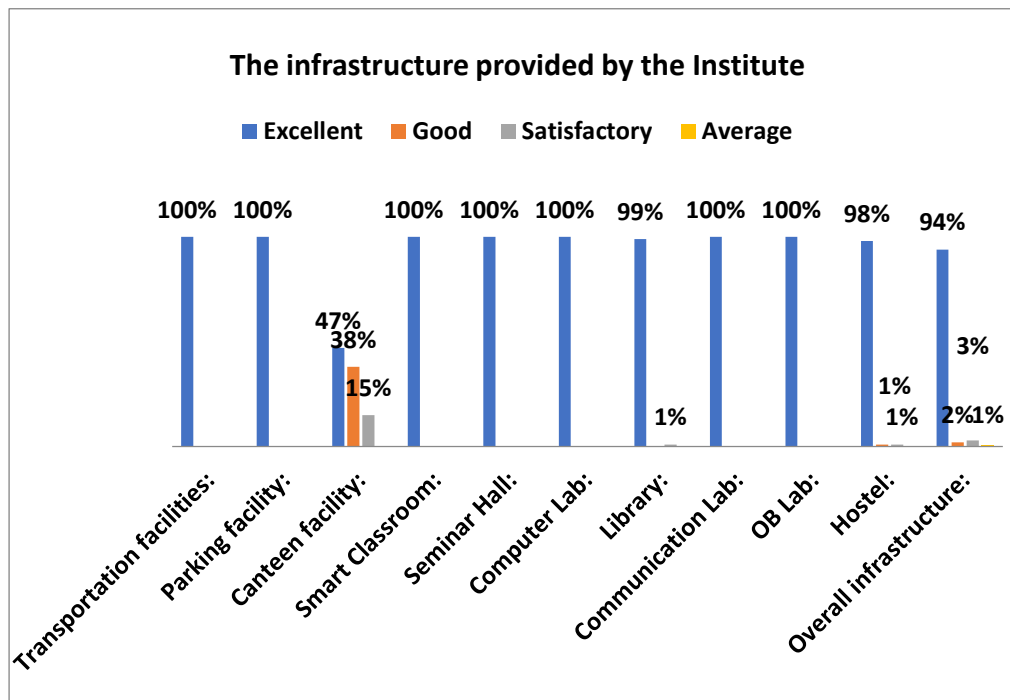

2. Rate Skill Training activities of the institute.

Inference: 88.88% students said the skill training was excellent, 6.83% said good, and 1.7% said average.

7. Feedback on Subject Specific:

Inference: By and large the students have learned from the course. The area for improvement is “teaching methodology used by the faculty should be more flexible”. Individual faculty members are to take note of the feedback.

Recommendation:

A new feedback form is recommended which includes all the criteria i.e. curriculum, teaching & learning, infrastructure, value added course etc. so that a consolidated cum comprehensive feedback can be obtained from the students.
