One of the active members of the Faculty of Commerce and Management Education who contributed a lot for their development in Orissa. I showed the path of research in Commerce by becoming the first Ph.D. degree Awardee in Commerce in Orissa from any Indian University.

I was one of the team members along with Prof. A.P. Nayak, Prof. Gunanidhi Sahu, Prof. G.P. Acharya and Prof. H. Panda who were responsible of introducing Honours in Commerce.

I along with my friends also were responsible for combination of papers at the +2 level and for introducing extra optional subject while I was the Executive Committee member of the Council of Higher Secondary Education (CHSE). In the absence of this facility, hardly 5-8 students were placed in FIRST Division at the +2 Commerce examination level.

I was the first to coauthor a book in Odia titled Bikrayakalar Bhittibhumi along with Prof. Brajaraj Mohanty which was published by the Orissa State Bureau of Text Book Preparation and Production. I have authored and coauthored other books for the benefit of Commerce and Management students.

I was a founding member of Orissa Commerce Association and the Orissa Journal of Commerce. Put all out efforts to make the commerce curriculum industry need based. When I was the Prof. & HOD, Deptt of Business Administration, Utkal University I was also the member of the Syndicate. I am responsible for the introduction of 3 year Part Time MBA and five year Integrated MBA. I was also responsible for the publication of the Journal **Sankalp** of the Deptt. Being its first Managing Editor.
