

Facilities for Differently-abled (Barrier-free Environment)

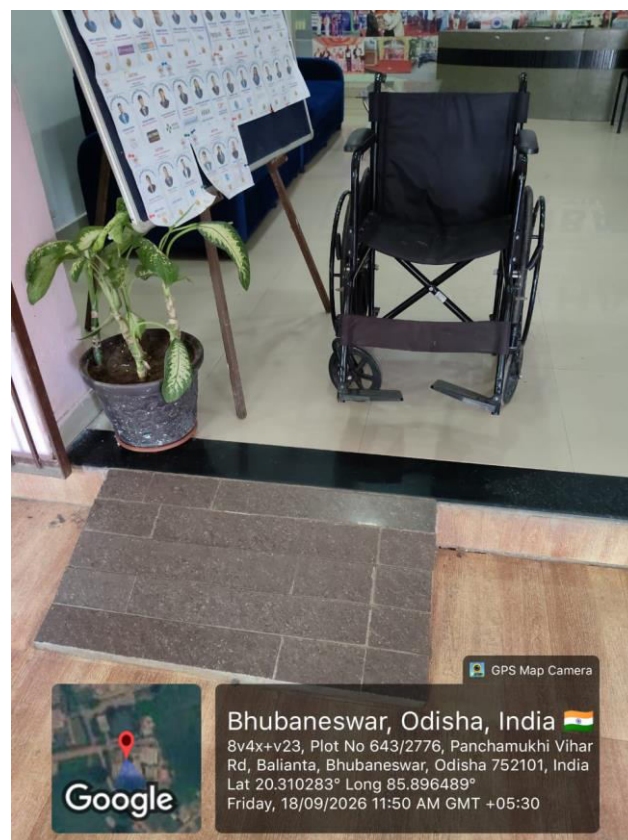

Lift

The availability of lift for differently-abled person is from ground floor to 3rd floor. That connects all classrooms, library, laboratories and auditoriums to make their movement barrier free.

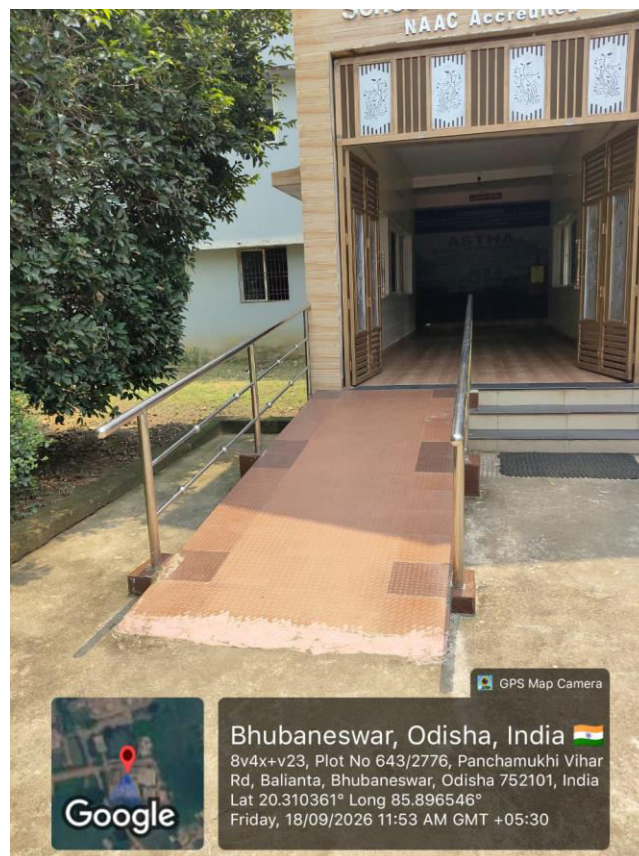

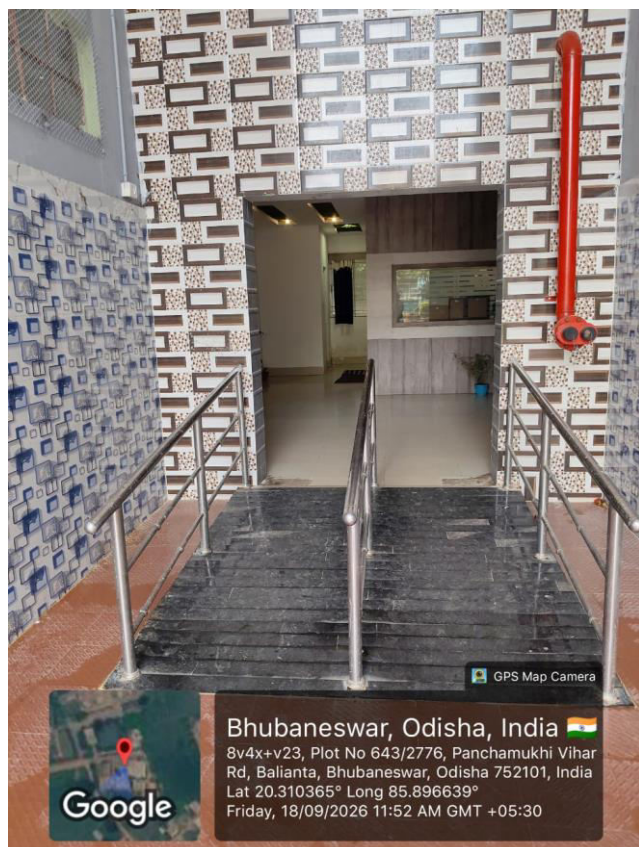

Wheelchair

Wheelchair is available for the mobility of differently-abled person.

Ramps

Ramps are available for differently-abled persons at both the entrance and the exit of the institution for their barrier-free locomotion.

Washroom

There is a washroom for differently-abled persons in the campus.
