ABOUT THE INSTITUTE

ASTHA School of Management, established in 2008, is a NAAC accredited and AICTE-approved B-School in Bhubaneswar, Odisha, committed to academic excellence, research, industry engagement and holistic development of management professionals.

OVERVIEW

Banking 5.0 represents the next wave in the evolution of banking, where technology, inclusiveness and trust come together to create a more human, secure and sustainable financial ecosystem. The Conclave will deliberate on how innovation, financial inclusion and cybersecurity can collectively contribute to the vision of **Viksit Bharat 2047**

OBJECTIVES

1. To promote financial inclusion by creating awareness about banking services and government financial schemes.
2. To raise awareness about cybersecurity, digital fraud, phishing and safe digital banking practices.
3. To encourage responsible, secure and inclusive adoption of digital banking technologies to strengthen customer trust.
4. To highlight the role of banking, innovation and financial empowerment in achieving the vision of Viksit Bharat 2047.

OUTCOMES

- ☑ Enhanced awareness of Banking 5.0 and its role in Viksit Bharat 2047.
- ☑ Practical insights into AI-enabled banking and cyber security.
- ☑ Recommendations for inclusive, secure and customer-centric financial services.
- ☑ Strengthened industry–academia interaction and networking opportunities.
